

§ 90-210.83. Assessments against associations.

In order to meet the expenses of the supervision of the burial associations, the Board of Funeral Service shall prepare an annual budget for the office of the Board of Funeral Service. Thereafter, the Board of Funeral Service shall assess each burial association one hundred dollars (\$100.00) and shall prorate the remaining amount of this budget, over and above any other funds made available to it for this purpose, and assess each association on a pro rata basis in accordance with the number of members of each association. Each burial association shall remit to the Board of Funeral Service its pro rata part of the total assessment, which expense shall be included in the thirty per centum (30%) expense allowance as provided in G.S. 90-210.81. This assessment shall be made on the first day of July of each and every year and said assessment shall be paid within 30 days thereafter. If any association shall fail or refuse to pay such assessment within 30 days, the Board of Funeral Service is authorized to transfer all memberships and assets of every kind and description to the nearest association that is found by the Board of Funeral Service to be in good sound financial condition.
